PERSONALISED LESSONS

WHAT'S THE DIFFERENCE BETWEEN STEADY LEARNER SETS AND À LA CARTE LESSONS?

Steady Learner Sets provide **more opportunities** for students to **explore more mediums** that are available at the studio. Students will also **follow a syllabus curated by the studio** with guidance from the instructor. Students taking Steady Learner Sets will more likely **hone their art fundamentals and art skills over a period of time with the studio**. Steady Learner Sets can also help your child in the preparation of their portfolio for programmes and exams such as the Direct School Admission scheme (by honing their technical skills.n).

À la carte lessons are **one-off lessons** that are **aimed at completing simple artworks**.

WHAT ARE THE LESSONS LIKE?

Eenie Meenie (5-10 years old) and Miney Mo (10-15 years old) have different levels of guidance in their classes.

Instructors **provide demonstrations and guidance starting from the development of ideas to the completion of artworks**. Our goal is for your child to **understand and independently apply art techniques and concepts** in their own original artworks.

MINEY MO

WHAT'S INCLUDED IN THE SET?

Steady Learner sets come with a **sketchbook prepared for your child**. In this sketchbook, your child will do **practices using the different materials provided**, and this sketchbook acts as **a guide for your child's ideas**. It is a means for them to gain awareness in the process of their art making.

WHAT IF MY CHILD IS SICK?

There are **two extra weeks available** in each steady learner set's validity period for **any planned/unforeseen circumstances** which **includes illnesses such as COVID-19**. The Fort Studios will extend validity periods on a **case-by-case basis for severe circumstances** in which the student is unable to attend their classes.

WHAT HAPPENS AFTER MY CHILD'S SET ENDS?

After the **set validity period expires and your child's set ends**, you have the option to **continue** a new set for them or to **stop taking lessons completely**. If their artwork is **incomplete** but you would like them to **stop lessons**, collection of all artworks should be done **within 2 months after the expiration** of the lesson set. **After the 2 month period**, The Fort Studios **reserves the right to dispose of uncollected artworks**.
